## ADMISSION INFORMATION

### I. GENERAL INFORMATION

1. The International Integrated Bachelor's and Master's Programme (IIBMP) has been thoughtfully designed to align with evolving industry demands and provide students with a globally competitive academic pathway. Under this unique program,

students have the opportunity to earn a B. Tech. degree from JNTU-GV and a Master of Science degree from Knowledge Foundation @ Reutlingen University (KFRU), Germany, within a streamlined duration of five years.

This distinctive academic collaboration significantly enhances the value and global recognition of the qualifications awarded, while addressing the challenges of degree recognition that students often encounter after pursuing higher education abroad. By graduating with a JNTU-GV degree, students retain the advantages of a nationally recognized qualification in India, facilitating employment opportunities, higher studies, and research pursuits. Simultaneously, the KFRU degree equips them with an internationally respected credential, strengthening their prospects across Europe and other global markets.

By integrating academic excellence, international exposure, and industry-oriented learning, the IIBMP empowers students with the knowledge, skills, and cross-cultural competencies required to excel in an increasingly interconnected global workforce, both in India and abroad.

2. Applications for admission into International Integrated Bachelor and Masters Programme (IIBMP) will be processed by JNT University Gurajada Vizianagaram (JNTU-GV) in association with Knowledge Foundation @ Reutlingen University (KFRU), Germany.
3. There will be no provision for students to discontinue their studies in the middle of the program and claim an alternative degree.
4. All Admissions are purely provisional, and the University reserves the right to cancel the admission at any stage.
